

To whom it may concern:

I would like to recommend Alex Goretoy as a candidate for a position with your organization. In his role as a PHP Developer, Alex provided consultation services for our company from 5/31/2012 - 7/20/2012.

Alex did an excellent job in this position and was an asset to our organization during his tenure. He has excellent written and verbal communication skills, is extremely organized, can work independently, and is able to effectively multi-task to ensure that all tasks are completed in a timely manner.

Alex also has good problem solving skills, he was always able to offer new ideas to get things done in a more efficient manner. He had an excellent rapport with his co-workers, managers and clients. He would be an asset to any employer and I recommend him for any endeavor he chooses to pursue.

Yours truly,
